Sabbath afternoon activity – we will be going to Queen Emma Park on the Pali Highway. Plan to meet at 3:00 for crawfishing. At 4:00, we will head up the Road to the Lulumahu Falls trail head located at the end of Nuuanu Pali Drive and Pali Highway. Bring chairs, water, snacks, instruments and bug spray and shoes that can get wet.

Friday Evening, March 6, there will be a low tide between 6-8 pm. Lets plan to meet at Kewalo Basin around 5:30 on the left side of the restroom. Please bring something warm to wear, snacks/food to share, chairs, buckets, water shoes, nets and a strong waterproof flashlight. You will not enjoy this activity if your flashlight is weak. The next low tide is in December. Please check Facebook for updates.
